

## *Three Worship Services to Choose From...*

### **8:00 A.M.**

*In the Fireside Room*

A more informal service with times for reflection and prayer, familiar songs and hymns, and warm fellowship, all in a relaxed and intimate setting.

### **9:15 A.M.**

*In the Sanctuary*

A service drawing upon our rich Christian heritage, weaving together Scripture readings and prayers with choral and instrumental music as well as hymns and songs of the church through the ages.

### **10:45 A.M.**

*In the Sanctuary*

With music led by our worship band, this more casual service creatively engages the timeless truths of faith with both ancient expressions and emerging experiences of worship.
